Dear Parents and Students,

I would like to take this opportunity to introduce myself. My name is Mrs. Rosa, and I will be your new 3rd grade teacher. I'm very excited and eager to get started. In order for us to have a productive school year, I believe that it is important that we all understand our roles in this educational process. Student participation, parent involvement, and my instructional guidance are all key ingredients for our success. The following list of school supplies are needed for the third grade:

- 24 sharpened #2 pencils
- 1 box of colored pencils
- 6 glues sticks (no bottles)
- 1 small pencil supply bag (no hard boxes)
- 3 packages of white-ruled loose leaf paper
- 2 two pocket folders (red and blue)
- 2 composition notebooks
- 3 tubs of disinfecting wipes
- 1 book bag
- 3 reams of printer paper
- 1 bottle of hand sanitizer

This year we will spend a lot of time learning while we're having fun. Over the summer, I would like for every student to take advantage of one of the Chicago Public Libraries and read. Students should also practice and master their multiplication facts 0-12. I anticipate working cooperatively with your family.

Sincerely,
Mrs. Rosa
