

CHICAGO PUBLIC SCHOOLS STATE OF THE NETWORK

[PUBLIC MEETING NOTICE]

Each year, Chicago Public Schools offers parents and other school stakeholders a unique opportunity to engage with regional support teams called, Networks. Each school within CPS falls within 1 of 13 Network boundaries. Networks provide coaching, support, and compliance monitoring to strengthen overall school quality. Network 12 supports thirty-five schools that reside between Lake Michigan to the Dan Ryan, and 6700 south to 9800 south.

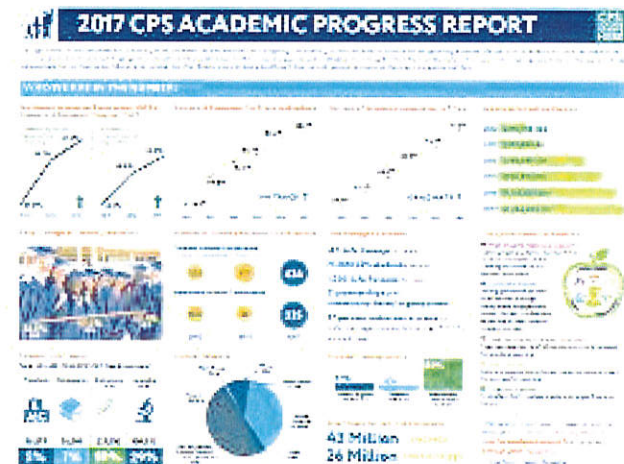

This Session will Feature:

- Presentation about school ratings
- Learn about local school performance
- Interface with Network 12 Leadership
- Get tips to strengthen in-home learning
