

Dear Families & Students,

I would like to extend to you and your child my warmest welcome to my class!!

My name is Mrs. Keesiya Robertson and I will be your child’s teacher for the 2016-2017 school year. I am a graduate of Northern Illinois University (NIU) where I obtained my Master’s degree in Education with an emphasis in Special Education. I enjoy spending time singing, reading, and hanging with my family. I am also an expecting mother of my first child and really excited!

I love helping in any way possible.

My philosophy for learning is that each child is unique, and can learn.

One of my jobs as a teacher is to help your child discover his or her individuality and work alongside them to maximize their potential. This is only possible through hard work and dedication.

My goal for the school year is to ensure that I create an environment that is conducive to learning that supports all learners. In order to begin the school year off on the right track

I would like for you to take note of our grading scale and gradebook category weights.
