

Dear 5th Grade Parent(s),

Welcome to 5<sup>th</sup> grade. 5th grade is a fun year both academically and socially. Students crave more independence and responsibility, while still seeking adult interaction and support. Our goals are to build self-confidence, foster a love of learning, deepen students' inferential thinking, refine students' ability to look at things from multiple perspectives & make more nuanced decisions and build a sense of civic responsibility. Following is a list of school supplies which your child will need to begin the school year. Students are responsible for their own supplies, which may need to be replenished during the school year. Some materials will be collected and used for the classroom community. It is the parent's responsibility to replace any lost or broken materials. Please do not send Trapper Keepers or large binders as they do not fit in the desks.

Qty	Item and Product Description
60	Pencils - #2HB (No Mechanical Pencils)
2	block erasers
