

John T. Pirie Fine Arts & Academic Center
Welcome To Room 4th Grade!

Mrs. Bennett and I are looking forward for the opportunity to teach your child next year.

The curriculum in 4th grade is designed to be rigorous and challenging. Our goal is to prepare our students to be college ready. To advance your child's thinking he/she must complete all assignments and homework.

Homework will be assigned Monday through Friday. Your child will receive a homework planner provided by the school. It is their responsibility to record homework assignments in it at the end of each day.

Students must be prepared for instruction each day and to help them get started we have included our Team 4 Supply List for next year. We look forward to working with you and your child. Have a great summer!
